Meteor Class: 90%

Spitfire Class: 89.3%

Hurricane Class: 91.9%

Lysander Class: 89.7%

Red Nose Day

Thank you to everyone for supporting Red Nose Day in school today.

There was a sea of red that spilled into school this morning - I said to a couple of year 5 boys about how which football team you support can really be good for wearing red? - and I admire anyone that can keep one of the red noses on - they are really not very comfortable. Red Nose and Spoon races took place in the different phases and there were lots of Red Nosey activities going on throughout the school!

A fun day has been had by everybody I think...

Time to see...(A Whole Lot of History)

Our Time to see... session on Thursday 31st March grows ever nearer and we look forward to as many parents and carers joining us in school on this afternoon. It is a chance for you to come in and see what the children have been learning in their classrooms and just how they have solved the problem:

How have events from the past impacted on the future world?

We will be inviting you in from 2.00pm and once you have seen what your child has been learning, you will be able to take them home.

If you have more than one child at the school, we would suggest you go to the younger sibling first and then take them with you to their older siblings classroom.

Parent/Carer and Class Teacher Meetings

Thank you to all the parents/carers that came along to the meetings yesterday evening. Again there was a really positive atmosphere in the school and it is always good to see mums, dads and carers leaving after their meeting with smiles on their faces. A big thank you to class teachers - it was a very long day for them!
