Hunter Class: 95.4%

Meteor Class: 91.4%

Spitfire Class: 91.8%

Hurricane Class: 95.1%

Lysander Class: 88.7%

Beginning of the School Day

Over the past couple of weeks we have had a number of parents/carers trying to get round to classrooms to see their child's class teacher.

This is the time of day that class teachers will be welcoming their children into school and is not a time that they are free to talk to parents/carers.

Members of SLT are always out at the front of the school at this time so please give any messages to them or to the school office, which is open from 8.15am. If you need to speak to your child's class teacher, if you contact the office then a mutually convenient time can be arranged - thank you.

Time to see...(A Whole Lot of History)

Our Time to see... session is next Thursday, 31st March, at 2.00pm.

It is a chance for you to come in and see what the children have been learning in their classrooms and just how they have solved the problem:

How have events from the past impacted on the future world?

We will be inviting you in from 2.00pm and once you have seen what your child has been learning, you will be able to take them home.

If you have more than one child at the school, we would suggest you go to the younger sibling first and then take them with you to their older siblings classroom.

Attendance and Punctuality

As stated in previous bulletins, with full knowledge and understanding of how the past months have been, we now need to be looking at children's attendance and addressing unacceptably low attendance.

Before the end of the Spring term, all parents/carers will receive a letter from the school which will RAG rate your child's attendance as Red, Amber or Green. This is to make you aware of an attendance figure for your child, in line with the *Attendance and Punctuality Policy*, and to offer support that will ensure improved attendance for any children in the Red or Amber category.

We will be addressing punctuality at both ends of the school day in the Summer term.
