### Some Thank Yous

It has been quite a Spring term, having to reinstate bubbles for a while and seeing some classes down to single digit numbers coming in.

I would like to take this opportunity to say a big thank you to all my staff who have just kept going through the term making sure the children get the best deal possible.

Also thank you to you, our parents and carers, who have continued to understand and support the school through these times.

And I certainly need to finish by saying a big thank you to the children for helping to make TPA the place that it is.

It has been a very unsettled couple of years and I really do believe that it is through all working together and supporting each other that we have been able to come through it, keeping the children as safe and as happy as possible.

We now look forward to the Summer term and finding out what this will bring, but whatever that is I am confident it will be another positive term here at TPA.

Have a fantastic break everyone!
