Supporting You

There is the feeling that things are getting 'back to normal' following the pandemic, but there is also the awareness that families are not finding things easy due to the rising cost of living.

Whatever you may be struggling with, it is always good to know the range of support that is available for you.

We have been given some leaflets that will be available from the office and you can also access the leaflet online by following this link:

<https://www.chichester.gov.uk/helpwithfinances>

If you are struggling to pay bills, concerned about rising costs or are just feeling isolated, then this leaflet could help to signpost you to key schemes that you can access.

As said there are limited copies in the office, so if you would like one, please come and ask.
